PE Sport Funding

The government is providing additional funding of £150 million per annum to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - will be allocated to primary school headteachers.

This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools. As a school we received £9050.

Eligible schools

Funding for schools will be calculated by reference to the number of primary-aged pupils (between the ages of 5 and 11), as recorded in the annual schools census in January 2018.

What are we spending our money on?

We have a Sports Champion who has dedicated non-teaching time equating to half a day a week to co-ordinate all PE activities. We also use part of the money to buy into competitive inter school sports and the following:

- The co-ordination of a competitive sporting calendar including the School Games pathway
- More flexible inter-school competitions including A,B & C teams
- THS Sports Fixture Network
- Visits from Local Sports Coaches
- School Games Kitemark
- CPD Programme including SL training, Sport Specific training
- Athlete Visits
- PE Health Checks
- Pupil Assessment System

The remaining money has enabled us to improve our sports equipment such as large basketball nets, tennis nets, basketballs, football and much, much more.
