

Fortnightly Friday Flyer

Dear Parent,

A warm welcome back to you all and in particular to those families who are new to Kelsall School. I hope that you all had a great Summer holidays. I would like to take this opportunity to thank you all for the kind gifts and words that myself and staff here received at the end of term – they were all very much appreciated.

As we embark upon our first term of the new academic year it is important to me that you as parents receive as much information as possible about the life of school. This includes those important diary dates, information about the school curriculum amongst many other exciting events. I am in the process of finalising key dates and will send out the completed list to you all next week. Term dates are on the website – www.kelsall.cheshire.sch.uk

Next week, on **Tuesday** and **Thursday** our Sharing the Learning sessions after school will give you information on your child's routines and curriculum for the coming term and year.

Tuesday 8th September – Year 1 – 3:30pm Year 2 – 3:45pm Year3 – 4:00pm

Thursday 10th September - Year 4 – 3:30pm Year 5 – 3:45pm Year 6 – 4:00pm

Reception class will have their session on **Wednesday 16th September** at 3:30pm.

Praise Postcard assemblies will continue on alternate Fridays to celebrate achievements made by individuals. You will be invited by text to attend – please keep this a secret from your child.

As you will all be aware, the Taylor Wimpy development is well underway and I am in contact with the developers to try and ensure that your passage to and from school is safe. Please let me know of any potential dangers that you spot so that I can pass these on. I have been assured that deliveries will be out of school pick up and drop off times. Again, if you see that this is not the case, let me know.

Mrs Struthers will leave us temporarily to have an operation on her hip. I am sure you will all join me in wishing her well and for a speedy recovery. We are in the process of recruiting additional support for the office until Mrs Struthers' return in the New Year.

As always, we welcome any parental support in school. Please see your child's class teacher, myself or Mrs Doyle if you can help in any way, be that listening to readers, helping with preparing resources, making books (Thursday am) or providing a class talk.

The children have all settled back into school excellently, especially the new starters in Oak class. I am excited about the year ahead and I am looking forward to working with staff, parents, children and the wider community to make Kelsall School a happy and vibrant place.

Twitter remains in place and is an excellent way for you to follow what is happening in school. Our twitter handle is **@KelsallSchool**. Please feel free to tweet your own tweets adding **@KelsallSchool** into the message to share with us.
