

What is an angel?

In the lead up to Christmas Year 6 have been thinking about what being an angel actually means. They worked together to write their own descriptions of angels in real life- the people who take care of them each day. Here is a selection of the art work that they did linked to their writing.

You may also notice some of the adjectives that they have used in their writing to describe their angels.

They will be sharing their writing with the rest of the school as part of the carol service on Tuesday 17th December and Wednesday 18th December.

A collage featuring angel wings and a stone wall. The wings are made of light-colored feathers and are spread out. The stone wall is made of grey, rectangular blocks. The background is a mix of these textures and colors. Various words are overlaid on the image in a blue, serif font, each enclosed in a white rectangular box. The words are: 'angel', 'friendly', 'joyful', 'peaceful', 'unique', 'shining', 'incredible', 'perfect', 'intelligent', 'gentle', 'hearted', 'excellent', and 'happy'.
