

Friday Flyer – 11th June 2021

Dear Parent,

I hope that you all managed to have an enjoyable and relaxing half-term break. As we return you will appreciate the local and national advice on Covid-19 is changing on a daily basis. There has been an uptick in cases in Cheshire West and Chester but thankfully hospital admissions appear, at the moment, to be very low. That said, we need to all continue to abide by the guidance in place. My prime concern is that all bubbles in school are intact and we stay in the building as a school community. It is disappointing that things like Sports Day and some visits are not able to go ahead in their usual format this year but we are doing a great deal to give the children some much needed fun and excitement in this final term. Dates below show you the range of activities arranged. More details of each activity will be sent nearer the time.
